direct light

diffuse light

Hanging lamp for direct light in turned aluminium and painted externally with different shades of micaceous color, golden inside. Suspended with steel cables, produced in 3 diameters: Ø 40cm, Ø 65cm and Ø 92cm.

Designed by Marc Sadler in 2005 for Martinelli Luce, the surface of the lamp is characterized by circular ribs of different diameters arranged in almost parallel planes to describe a path: the path of man towards the infinite light and truth as opposed to the boring life. Babele has a strong personality, which attracts attention, able to fill the space.

Family	Babele
Typology	Pendant
Utilisation	Indoor

**Dimensions**

Height	53 cm
