

Light Module Hush

Wall - for panels

Massimo Farinatti

colors

Typology Wall
Utilisation Indoor

230V 56 W 5600 lm + 28 W 2800 lm

direct light

indirect light

A technology called Hush offers acoustic comfort without sacrificing design. The wall-mounted Hush is perfect for spaces like hospitals or restaurants that need both silence and indirect lighting.

The light fixture has an indirect LED light source and an aluminum body. An integrated electronic ballast is used.
