230V 27.5 W 3534 lm

indirect light

Standing lamp indirect light. Moulded body in painted resin. With light intensity regulator on the cable. LED light source integrated. Complete of electronic dimmable driver.

Designed by Elio Martinelli in 1987 the lamp was created by the vacuum generated by a ring of nearly tangent circles, forming a canal that connects the two worlds: the old and the new millennium. The neoclassical form allows the inclusion in any type of environment and small size is not an issue for its location.

Dimensions

Height 173 cm
 Diameter 30 cm
 Power supply cable length 50+200 cm
 Weight 7.8 Kg

Materials

Structure plastic Diffuser polycarbonate

Voltage	230V	Watt	27.5 W
Power unit	Included	Lumen	3534 lm
Mounting Power Supply	Internal	CRI	>80
Power supply	Electronic power supply	Duration	50000 h
Dimming	Dimmer on the cable	CCT	3000 K
		Energy class	E

Certifications
