230V 12 W 1100 lm E27

diffuse light

Outdoor floor lamp providing diffused light. Rotomoulded polyethylene lamp body in the colour white. LED bulb light source, with cable and plug.

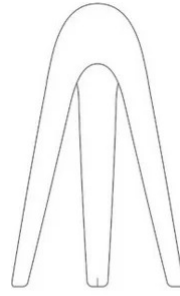

Available in the version with direct light. Rotomoulded polyethylene lamp body.

The coloured version of Cyborg Big is made with Geco 30, the best choice for mechanical performance. Geco 30 contains EcoAllene® that is derived from recycled poly laminates.

The company Ecoplastem, using patented techniques, has developed a production system that makes it possible to use waste poly laminates (PO-AL) to create EcoAllene®. This is achieved by recycling and reprocessing items otherwise destined for incineration or landfill such as beverage cartons, oily product packaging, confectionery wrappers, hot drink capsules, etc.
