diffuse light

LINEAR MODULE to create a modular system with diffused light suspension or ceiling.

The system is composed by linear (code **40022**) and curved (code 40020 - 40021 - 40053 - 40135) modules, rotational moulded, white polyethylene material. The combination of modules, through aluminium joints (code 40026/BI intermediate joint with cable - 40027/BI terminal joint with cable or 40047/BI intermediate joint with support to fix to the ceiling - 40048/BI terminal joint with support to fix to the ceiling), allows you to create linear paths, sinuous or circular paths of Ø 70cm (4 curved modules 40053), Ø 95cm (3 curved modules 40021), Ø 180cm (6 curved modules 40020), and Ø 350cm (12 curved modules 40135). LED light source integrated, Drivers inserted into the canopy (code 40025/BI - 40025/DIM/BI) or into the false ceiling. Dimmable Push/Dali, POT. 10K Ω , 0-10V, 1-10V.

iF Design Award 2019

Family Linear light module Mamba
 Typology Pendant Wall Ceiling
 Utilisation Indoor

Dimensions

Lunghezza 90 cm
 Diameter 10 cm
 Power supply cable length 400 cm
 Weight 1.5 Kg

Materials

Diffuser polyethylene Elementi aluminium

Voltage	24V	Watt	25 W
Power unit	Excluded	Lumen	3058 lm
Mounting Power Supply	External	Duration	50000 h
		CCT	2700 K
		Energy class	

Certifications
