

# Minipipistrello POP Cordless

Gae Aulenti

colors

Typology	Table
Utilisation	Indoor

5V 2.9 W 386 lm

diffuse light

Authentic lamp with a distinct personality, designed by Gae Aulenti in 1965 for the Olivetti showroom in Paris, in the dark brown colour.

The selection has grown over time in terms of color and size, offering large, medium, mini and mini cordless options.

The new 2023 edition has a Pop yellow color and is numbered and signed by Gae Aulenti. Pipistrello Pop features a polished yellow painted aluminum frame, a stainless-steel telescope, and a white opal methacrylate diffuser. The diffuser's base, knob, and ring nut are all made of polished black painted metal.

Dimmable LED light source integrated with an electronic plug-in ballast.

**Each Pipistrello Mini has a fixed telescope; it cannot be extended.** The shape is retained, but not the mechanical movement.
