Typology      Pendant  
Utilisation    Indoor

230V 17 W

indirect light

diffuse light

The Canopée pendant light invites reflection and rest by providing a cozy haven of soft light. It embodies the essence of light.

The LED source integrated in the cylinder is diffusely reflected on a compact, **light disc made of a technical fabric borrowed from the nautical industry.**

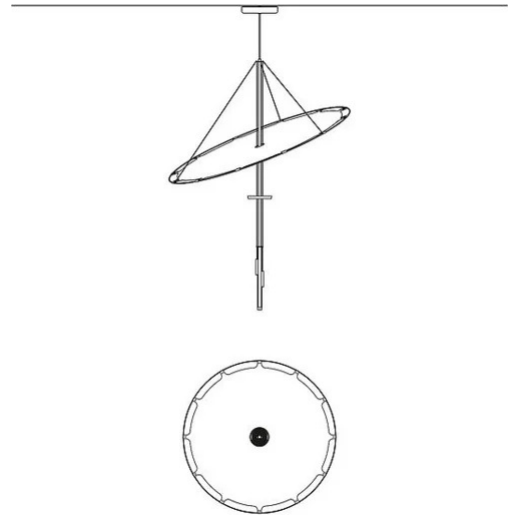

**The disc can be tilted and raised**, allowing you to customize the intensity of the reflected light to create a one-of-a-kind atmosphere by gently pulling or rotating the three cylinders.

Family	Canopée
Typology	Pendant
Utilisation	Indoor

### Dimensions

Height	103 cm
Diameter	80 cm

### Materials

Structure	aluminium iron	Riflettore	glass fibre
Canopy	aluminium		

Voltage	230V	Watt	17 W
Power unit	Included	Lumen	
Mounting Power Supply	Indoor	CRI	>90
Power supply	Electronic power supply	Duration	50000 h
Dimming	No dimmable	CCT	2700 K
		Energy class	

### Certifications

### Colour variant code

21029/J/GR

Grey
