direct light

Numbered, limited and signed edition of the Cobra lamp in the special yellow colour on the occasion of Elio Martinelli's 100th birthday.

Reading lamp with direct light, made with two resin molded bodies.

The lower body part turns on a steel made base connected with the upper body part by means of a central joint for a 360° rotation.

The interior reflector is made with white painted aluminium.

The lamp is also available in the standard colours white, black and red, in the Scorpius version and in the different versions of the Cobra Texture project.

Complimentary with Cobra 100 is the exclusive commemorative print of Cobra's original sectional design, authenticated by Emiliana Martinelli, Elio Martinelli's daughter and company president.

The limited edition lamp is also accompanied by a certificate of authenticity.
