230V 3.7 W 450 lm

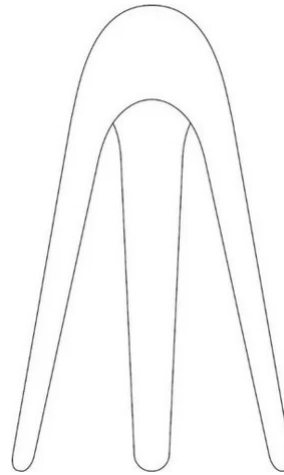

indirect light

A fountain of colours descends from the surface of Cyborg and crystallises; the four primary colours, the chromatic essentiality meets the formal minimalism of the lamp.

Table lamp with direct diffused light. Painted cast aluminum structure available in the new version: TEXTURE containing the primary colours cyan, yellow, magenta and black. White opal polycarbonate diffuser. LED light source integrated, electronic drive on the plug. Touch-sensor ON/OFF switch.
